Mission Statement

The first hydroponics store to open in Long Beach, CA. Green Coast Hydroponics prides itself on a knowledgeable sales staff with years of experience in hydroponics. Staff members are dedicated to helping customers achieve greater yields, and cater to growers of all abilities, from the hobbyist to the master grower, and offer professional consulting services for custom design grow-rooms of 8 lights and up. From offering organic soil to customers to providing employees with reusable canteens, Green Coast Hydroponics is dedicated to sustainability.

Green Coast Hydroponics

What makes Green Coast Hydroponics a Recognized Green Business

Green Coast Hydroponics demonstrates green business practices in all of the six areas required in the Long Beach Green Business Recognition program.

- Offers a variety of recycled products for reuse, including but not limited to glass, plastic, paper, aluminum, and e-waste items
- Participates in the City of Long Beach Litter-Free program
- Limited printing and use of paper

- Offers a variety of recycled products for reuse, including but not limited to glass, plastic, paper, aluminum, and e-waste items.
- Participates in the City of Long Beach Litter-Free program
- Limited printing and use of paper

- Limits amount of water used whenever possible
